Dear Student, Welcome to the LIFE Project – Learning Interculturality from Religion. The project explores the topics of culture and religion in schools in eight countries: Italy, Bulgaria, Cyprus, Greece, Ireland, The Netherlands, Spain & Turkey. Your school is participating in this study and we are very grateful for your contribution. This questionnaire explores your experiences and ideas about the topics of Culture and Religion. It forms part of a European Project funded by Erasmus+. This is not a test and there are **no right or wrong answers**. The researchers are interested in learning more about young people's experiences with and thoughts about culture, religion and diversity in different countries. Your **answers will be anonymous and treated confidential**. You are **not** required to provide your name! Take your time and try to answer each question the way you really think.
